Mike Doyle for US House District 18

Mike Doyle chairs the House Communications and Technology Subcommittee, a crucial role given internet issues. In 2019 Mike received a 97% approval rating from the League of Conservation Voters. He champions a green economy while recognizing we must help fossil-fuel industry workers transition to family-sustaining jobs. He is founder of the Congressional Autism Caucus. In 2016 he joined civil rights icon John Lewis' sit-in on the House floor to force a vote on a gun control measure following the Orlando massacre. He is a sponsor of Medicare for All legislation and of the Black Maternal Health bills. To learn more go to mikedoyleforcongress.com

Michael Lamb for PA Auditor General

Michael Lamb is a strong, progressive candidate with over a decade of experience as the City Controller of Pittsburgh. He helped to cut the city's long-term debt in half, pulling it back from the brink of bankruptcy to its current fiscal stability—and did so by maintaining and enlarging the public capacity, instead of contracting to private companies. He conducted audits that exposed waste and abuse of tax dollars in city government and supports strong unions that ensure good jobs and help grow our middle class. Lamb believes in affordable healthcare; quality public schools; protecting our environment; safe, prosperous, inclusive neighborhoods that are free of gun violence; and civil rights and equitable treatment for all. Summer Lee, PA House 34rd District

When Summer Lee, lifelong resident of her community, won her PA House seat in 2018 she had run an unapologetically progressive campaign, one that stressed police accountability and environmental justice. In her first term, Summer has also championed initiatives that support sustainable jobs as well as gender and racial equality, and has been a tireless advocate for workers' rights, notably the fight for a \$15 minimum wage. In her first term, Summer has already brought nearly \$2 million back to the district for infrastructure and community revitalization. She's sponsored and voted for legislation that directly affects our communities. To learn more about this progressive, determined, dynamic State Rep go to SummerforPA.com

Jay Costa, PA Senate 43rd District

Senator Costa is the most powerful Democrat in PA state legislature given his role as Senate Democratic Leader. In that capacity he has the ability to pass progressive legislation such as the recent nonprofit security grants - \$500,000 locally and \$5M statewide to protect our institutions vulnerable to hate crimes after the 2018 Tree of Life tragedy. He is a true progressive as evidenced by his alliance with Senator Lindsay Williams to support affordable housing. Currently he is working for the passage of SB 650 - Increasing Access to School Counselors, Psychologists, Social Workers and Nurses. For more information go to jaycosta.org
