RESTORE THE SOUL OF AMERICA

VOTING BEFORE ELECTION DAY

If you have NOT requested a mail in-ballot, you can vote at a location below.

How Does This Work

Voters complete a mail in ballot application.
An official certifies eligibility and the voter is given a ballot to vote and return immediately.
Only first time voters are required to have identification.
However, a driver license number or a social security number are necessary to complete the mail in ballot application.
