## Josh Shapiro for Governor

Josh Shapiro has been the Commonwealth's Attorney General since 2017. He is unopposed for the Democratic nomination for Governor. Shapiro filed a lawsuit making it harder for employers to deny contraception for employees; hammered out an agreement with federal officials to prevent distribution of blueprints for 3-D printed guns; defended against lawsuits filed by Trump supporters to overturn the 2020 election; and brokered a deal to guarantee Highmark members access to UPMC doctors. He supports legislation to count mail-in ballots before Election Day and raising the minimum wage to \$15. He is endorsed by PA AFL-CIO, SEIU and LGBTQ+ organizations.

We need a Democrat for Governor so Pennsylvania doesn't become Texas or Florida and are fortunate to have such a qualified candidate.

## Summer Lee Running for 2 Offices

Summer Lee is endorsed for U.S. Representative and PA Representative District 34. Pennsylvania law does not prohibit running for more than one office. Two other candidates are also running for two offices—Malcolm Kenyatta (U.S. Senator, PA Rep.) and Austin Davis (Lieutenant Governor, PA Rep.). "We're running for both because each of us has come into a space that people like us have never occupied." At the Club's endorsement meeting Lee said she and Austin are the first Black people outside the City of Pittsburgh to ever serve in the PA House from W. PA. If she wins both, Lee said she would choose the U.S. Congress and a special election would be held for her state house seat.

## Conor Lamb for U.S. Senate

U.S. Congressman Lamb has won 3 elections in Trumpian districts, including one Trump won by nearly 20 points. His even temperament disguises a passionate commitment to veterans, seniors, the disability community, workers' rights, reproductive justice, affordable health care, voting rights, and democracy. He will fight to end the filibuster, pass the John Lewis Voting Rights Act, lower the Medicare age to 60 and require negotiation for prescription drug prices, raise the minimum wage, protect abortion and birth control, and address the climate crisis. He's willing to listen and learn and has a genuine humility that makes him a strong leader and a great advocate, not just for the loudest folks in the room but often for the most vulnerable. Endorsements include: PA Dems Latino Caucus, Philadelphia Dems, Steel City Stonewall Democrats, PA NOW, Black Clergy of Philadelphia and Vicinity, and 21 unions. From 2019-2022, he earned a 0% rating from the conservative Heritage Action for America.

## Summer Lee for U.S. House, District 12

Summer Lee, a lifelong resident of North Braddock and Swissvale, has been a PA state representative, dedicated organizer, activist, and advocate for social justice. Her priorities are those of the Democratic Party, including democracy and voting rights; disability justice; economic justice and union jobs; education; environmental justice; immigration; justice reform; LGBTQ+ rights; Medicare For All; and reproductive health rights and justice. These are priorities for the Biden Administration also, and national polling finds the majority of Americans embracing these priorities as well.

As a PA state representative, Summer Lee has held frequent service events, employed a responsive staff, and worked on groundbreaking legislation. The constituents of the strongly Democratic 12<sup>th</sup> District will benefit by having a progressive, forward thinking, and dedicated legislator representing them in the U.S. Congress.
